

MURAT EKREM KOLÇALAR

kolcalar@gmail.com • <http://niko.qalaymiqan.com/murat.php>

I have a passion for creative and digital arts, particularly as they relate to video game storyboarding and design.

I maintain a wide variety of skills in industry standard software for graphic design and video game development, and am seeking internship opportunities in order to hone my skillset in preparation for a Masters degree related to videogame sciences.
